JOB PAGE – check all your jobs

The screenshot shows a web browser window with the URL `cms.myjstn.com/job/page`. The page header includes the Comcast logo, a user greeting "Hello, `lambdax!`", and a "Log off" link. Navigation links for "HOME", "COMPANY", "JOB", and "INSIGHT" are present. A "Create New" link is located in the top right corner of the table area.

Edit – Clients can edit the job once it is created.

Click "Edit". Then a edit form will be displayed. After editing the job, click "Save" button in the bottom of the page.

Job Status

"Status" field has three options; public, private, inactive. Choose one of options. Then click "Save" link in the right side. Finally the status is changed.

PUBLIC : Your job will be opened for public immediately.

PRIVATE : Your job is under process and one of our staffs will review your job before it is opened for public.

INACTIVE : Your job is hided from public access.
